

INVITATION FOR TENDERS

Ukraine

Contract 7 (III)-1 “Reconstruction of heating system, including IHS installation in school (lyceum) No. 21 on 36-A Akademika Saharova street in Ivano-Frankivsk”

This Invitation for Tender follows the General Procurement Notice for this project, which was published on the NEFCO website, Procurement Notices (http://www.nefco.org/how_to_work/procurement_notices) on March 01, 2021.

The Capital Construction Department of the Ivano-Frankivsk city council (hereinafter referred to as “the Employer”), intends to use part of the proceeds of a grant received from Nordic Environment Finance Corporation (NEFCO) towards the cost of the project “Energy efficiency improvements in public buildings in the city of Ivano-Frankivsk”. The project is co-financed by E5P*.

The Employer now invites sealed tenders from Contractors for the following contract to be funded from part of the proceeds of the grant:

Contract 7(III)-1 “Reconstruction of heating system, including IHS installation in school (lyceum) No. 21 on 36-A Akademika Saharova street in Ivano-Frankivsk” (implementation of the investment project "Energy efficiency improvements in public buildings in the city of Ivano-Frankivsk "). Works include reconstruction of the heating system, installation of IHS, modernization of internal electric system, replacement of windows and doors, repair of wall panels joints, repair of drainage system and other works.

The repair of the Objects is expected to start in May 2023. The expected completion date of works - not later than: 31 October 2023.

The tendering procedure and the contract will be subject to NEFCO’s Procurement Guidelines, which follow internationally recognized practices applied by International Financial Institutions (IFIs). The tender is open to firms from any country, provided that the firm is not ineligible or prohibited from bidding under national or international law.

The tenderer may include in its tender proposal additional discounts.

To be qualified for the award of a contract, tenderers must satisfy the following minimum criteria:

- a) the Tenderer has the financial, technical and production capability and capacity necessary to perform the Contract, and Tenderer’s average annual revenue in the last 3 years (for companies – residents of Ukraine the calculation of average revenue is allowed for the period 2019-2021) was at least 2 times greater than price of his tender. In case of tender submitted by JVCA, the leading partner should demonstrate at least 50% compliance with the requirement;
- b) the Tenderer has satisfactorily supplied similar goods and conducted similar works to other employers and completed at least 3 similar contracts on complex thermal modernization in the recent 5 years or 3 specialized contracts in each of the main types of works (insulation of building, heating system repair/reconstruction, installation of the IHS, replacement of windows and doors) in the recent 5 years;
- c) the Tenderer is not bankrupt or under bankruptcy procedures according to the national legislation or regulations.

Tender documents may be obtained free of charge upon a written request of the Tenderer submitted to the Employer at the address or by e-mail (as attachment in PDF format) below. Upon receiving the written request from prospective Tenderer, the documents will be promptly dispatched electronically in PDF format, however, no liability can be accepted for their non-delivery or late delivery.

All tenders must be accompanied by a tender-securing declaration.

Tenders shall be sent to the office at the address as specified below, before **12:00** according to the local time on **16 March, 2023**, to the room – 605 at the address Nezalezhnosty Street, 6, Ivano-Frankivsk. The disclosure of the tender bids shall happen at the office the address of which is specified below on **16 March, 2023**, at **13:00**, in the room – 612 at the address Nezalezhnosty Street, 6, Ivano-Frankivsk. All Tenderers or their authorized representatives that would like to be present at the disclosure procedure are allowed to be present.

A register of potential tenderers who have obtained the tender documents may be inspected at the address below.

Prospective tenderers may obtain further information from, and also inspect and acquire the tender documents at, the following office:

*The Eastern Europe Energy Efficiency and Environment Partnership (E5P) is a €180 million multi-donor fund managed by the EBRD and designed to promote energy efficiency investments in Ukraine and other eastern European countries. The fund was established under an initiative of the Swedish government during its presidency of the European Union (EU) in 2009. E5P complements energy efficiency loans provided by financial institutions including the European Bank for Reconstruction and Development, the European Investment Bank, KfW, NEFCO and the World Bank Group. Contributors to E5P are the EU and the US, as well as Denmark, Estonia, Finland, Germany, Iceland, Ireland, Latvia, Lithuania, Norway, Poland, Slovak Republic, Sweden, Switzerland and Ukraine.
